My apologies for any confusion. See the note below from HQ, in which they stated they will handle the response to the second letter. I got notification of this letter in CMS this morning (10/12), and emailed it around for you all to see. We may want to have something prepared for HQ incase they reach out for assistance, but also I don't want to create extra work if it's not needed.

I saw that Region 8 was CC'd on this incoming letter. Is there a response you want us to start or will this all be handled in HQ. Thanks

Hi, All.

I chatted with Shaun...given the Administrator and Governor spoke, we feel we can close out the letter as answered. I realize the time folks put into it...but it helped to provide great background for the call. So thank you!

Hi Josh – Any intel on the Administrator's call with Governor Herbert yesterday? We were wondering if we need to make edits to the response letter we've drafted to the Governor.

I made some minor edits and added another possible talking point.

I have edited the intro section to make clear we will respond to the Governor's letter after the Administrator speaks with him on Wednesday.

Please let Josh Lewis know if you have any changes to this briefing paper by noon (eastern) on Tuesday so we can get it into her book. (Josh—if you need comments sooner than that, please let folks know. I am assuming a mid-afternoon deadline from the 3rd floor).

Thanks all

Janet
